Sree Narayana College for Women, run by the Sree Narayana trusts, is an aided college, affiliated to the University of Kerala, which comes under 2(F) & 12(B) Act of UGC, with a strength of about 2500 students. Started in 1951, it stands as a proud and triumphant institution, producing a large number of women professionals, entrepreneurs and educated home makers. The college offers quality education and maintains consistently high academic standards, giving students equal opportunity for improving themselves and bettering their own life. The prime aim of the college is to reach out to students from socially and economically backward sections of society, and to equip them with the necessary skills and education to meet the challenges of a rapidly changing world. Since its inception, Sree Narayana College for Women has been in the forefront in the field of higher education and has constantly endeavored to make its programmes of study more relevant, innovative and student centered. I am proud to say that ours is the only arts and science college for women in Kollam district which offers fifteen courses including two rare courses-Home Science and Music. In addition to core and optional courses, all academic programmes include both interdisciplinary and skill based courses.

The college offers the students a wide range of opportunities to encourage and foster creativity and leadership skills through various extra and co-curricular

activities like sports & games, food fest, community service, NCC, NSS, arts fest etc. We give the students an open platform to express their views and respond to current social issues and encourage them to take part in all positive ventures of the government and social bodies. The college has taken up many important ventures and projects over the years. To make the campus clean, we have made the campus plastic free and has installed a biogas plant and incinerator for waste disposal. Rain water harvesting, water purifiers, solar power etc are measures taken in the area of environment protection and conservation.

Our Management, Alumni and the Former Teachers Association form the backbone of the institution. Guided by the light of the great Sree Narayana Guru, the college will always strive to expel the darkness of ignorance and to illumine the minds with wisdom through learning. By empowering women through education we hope to build a better society.

Out of the 15 departments and physical education, we have 5 post graduate departments, two research departments. Our faculty members are actively engaged in the field of research and at present they have published more than 205 papers in peer reviewed journals.

Together, our well qualified faculty and non-teaching staff are hard at work to make our institution to one that can rub shoulders with the best in their respective field and bring prosperity and empowerment to the next generation of Indian women!

## TEN VERSES IN PRAISE OF GOD

1. O! God! Do thou guard us,  
And forsake us not;  
Across the sea of suffering,  
Thy feet, a mighty steam-boat.  
Of that illusion,  
And thou art the master who  
Removes all illusion  
And grants eternal bliss!
2. One by one, when all have been  
Counted, as none is left over,  
Save the teller, so may the inner self  
Be firmly fixed in thee!
3. Thou who provide us with food and clothing  
Thou who protect us ever  
And enrich us with your bounty,  
Thou art our only Lord!
4. Like the sea and the waves and the wind  
And the deep may we  
And the great illusion and thy might  
And thyself be comprehended by me!
5. Thou art creation itself, the creator  
And the entire created universe  
And thou art, O! God!  
Like wise the material of creation!
6. Thou art the great illusion,  
And also the author and enjoyer  
7. Thou art the truth and wisdom and bliss  
Thou art likewise the present,  
Past and future,  
Nor art thou really separate  
From the spoken word.
8. Thy feet, oh God,  
Replete with glory in and out!  
And we always praise it,  
Hail to thee, O Lord!
9. Victory to thee, O! Great God!  
Protector of those with sufferings  
Victory to thee O God,  
Endowed with a mind filled with bliss  
victory to thee, O! sea of mercy!
10. In the deep sea of thy  
Majestic splendour  
May we all  
Be deeply immersed, and for ever  
May we lie, and live with bliss!

**-Sree Narayana Guru-**

## PROFILE

The Sree Narayana Dharma Paripalana (S.N.D.P) Yogam in 1946 resolved to establish a college at Kollam in obeisance to the great saint, philosopher and social reformer Sree Narayana Guru, to provide better higher educational facilities, especially for the backward classes of Kerala. Emphasis was given on education, as only education had the power and potential to wipe out disabilities of the illiterate, the underprivileged and the downtrodden, who were cursed by an inhuman caste system. The resolution came true when the Sree Narayana College was opened in 1948 as a mixed college. To meet the increasing demand for seats, it was decided to start a separate college for women. The Sree Narayana College for Women began to function in the same building in September 1951 with affiliation to the University of Kerala, after shifting the already existing College to a separate building which continues to function as Sree Narayana College, Kollam. Sree Narayana College for Women stands as a proud and triumphant symbol of a renascent and progressive society ushered in by the spiritual effulgence and vision of the great Guru.

The college had a modest beginning with a few courses at the intermediate and undergraduate levels. More courses were introduced later. The college was elevated to the status of a Postgraduate institution in 1964 with the introduction of M.Sc. course in Home Science. A job oriented UGC sponsored course in Actuarial Science was introduced in 1997-98. The next year (1998-99) witnessed the introduction of M.Sc. in Physics. A restructured B.Sc. course in Industrial Microbiology was introduced in 1999-2000. M.Sc. Applied Chemistry was started during 2000-2001, and was changed to M.Sc chemistry 2019 onwards. Now the college is one of the leading centres of learning in the field of higher education in Kerala with 15 teaching departments offering various courses at the Degree and Post-graduate levels for over 2500 students. The Department of Chemistry was elevated to the status of a Research Department in 2008 and at present 4 Research

Scholars work under two Research Guides. The Department of Physics was upgraded to Research Department in 2018 and 2 Research Scholars work under one guide. The Department of English was elevated to the status of PG Department in 2013 and in 2020 the Department of Economics was also upgraded to PG Department.

This prestigious institution has a great tradition of producing meritorious students from its very inception. All through these years, the teacher community and the student community of the college have contributed the brick and tool towards the process of moulding a progressive intelligentsia, free from caste and communal prejudices and social taboos.

## **OUR VISION AND MISSION**

The Sree Narayana College for Women, Kollam, a pioneer institution for higher education in southern Kerala was founded by the great statesman and leader Sri. R. Sankar in 1951. Inspired by the ideals, vision and social philosophy of the revered saint, philosopher and Karmayogi Sree Narayana Guru, Sri. R. Sankar started the mission of social upliftment by establishing various higher education institutions all over Kerala.

The Sree Narayana College for Women aims at achieving the high ideals of Sree Narayana Guru ie, Sree Narayana Dharma, which stands for 'Enlightenment through Education' and views education as an instrument of socio-economic progress, material advancement and political, moral and ethical development of individuals in the society. It endeavours to mould a humane, intellectually accomplished, morally awakened and socially committed set of young women. It was for fulfilling Sree Narayana Guru's call for education especially women's education and their empowerment, that this great centre of learning has been established. As a leading institution for higher education and research for women, the college hopes to develop a holistic attitude towards life which represents a harmonious blend of the material and spiritual aspects. Conscious of its inceptional obligation of imbibing and

disseminating the revolutionary ideal of “One Caste, One Religion, One God”, the college promotes respect for all religions, which is an essential ingredient of the Indian ethos and culture.

We believe that, education must be a man making process that act as an instrument of change. It should be used as a major tool for curing the evils of society. The classrooms should go beyond the traditional role of acting as centers for transmission of knowledge to become centers for character building, which should cover effective learning outcomes like values, interests, attitudes etc relevant for better understanding and interaction with others in society. Also, we believe that education should have its focus on the development of wholesome human beings.

It is our firm conviction that education should promote moral values. It should create in the students the ability to distinguish the right from the wrong. Education is liberation of mind because each individual has immense potential. Education seeks to bring out this potential. Our institution stands for intellectual liberation and our motto is freedom through education.

The Sree Narayana College for Women a synonym for excellence in higher education, strives to induce the students to wrest the best out of life by equipping them to build a brilliant career and future. We also try to mould their personality and culture, besides their skill to climb the ladder of success and capacity to win over the obstacles in the onward march of life. Thus the college offers excellence, efficiency and prudence.

Our college assures the quality of higher education and value orientation by providing (a) quality of content and technique of education (b) qualified teachers (c) modern infrastructure and (d) competent students. It fulfils all the standards of excellence, order and discipline. The students have access to the new frontiers of knowledge in all fields. Our teachers are devoted to scholarship and have the capacity to transfer knowledge. They can stimulate the minds of the students and

invoke in them an abiding interest in the subject. They are committed to their subjects as well as to the students. Thus we envision for our students not only an intellectual adventure in the arena of higher education, but also socially beneficial behaviour, co-curricular activities and many laurel winning leadership opportunities and success, in their ventures.

We take care to expel the darkness of ignorance from the youth by shedding in them the flaming light of true wisdom. The Sree Narayana College for women equips students to develop their inherent talents to enable them to explore the world of new possibilities with the spirit of professional competency, sense of social justice and of self confidence. Our students would also be the symbols of national unity, cultural heritage, freedom and justice following the ideals of Sree Narayana Guru.

## **MANAGEMENT OF THE COLLEGE**

The management of the college is vested with the Sree Narayana Trusts. The Management committee of the college consists of the Members of the executive committee of the Sree Narayana Trusts together with the Principal of the college, who is an Ex-officio member. The Secretary of the Trusts is the Manager of the College.
